ISSUE BRIEF

SUMMARY

Utah Code Annotated, Section 63J-5-201, states: "The Legislative Fiscal Analyst shall submit a federal funds request summary for each agency to the legislative appropriations subcommittee responsible for that agency's budget for review during each annual general session. Each legislative appropriations subcommittee shall review the federal funds request summary and may recommend that the agency accept the federal funds or participate in the federal program for the fiscal year under consideration; or recommend that the agency not accept the federal funds or participate in the federal program for the fiscal year under consideration." The Department of Workforce Services anticipates a supplemental increase of \$35,500,100 to federal funds for FY 2017 and total federal funds of \$709,858,600 in FY 2018. Federal stimulus money (ARRA) is discussed in a separate Issue Brief entitled: "ARRA Funds Approval - Department of Workforce Services." The estimate of these federal funds is subject to any subsequent actions taken by the Legislature with regard to reductions in state appropriations.

LEGISLATIVE ACTION

- The Analyst recommends that the Subcommittee direct the Department of Workforce Service to accept all federal funds as listed in this brief.

FY 2018

The tables below show the federal assistance applications for fiscal year 2018 for the Department of Workforce Services by budget line item (tables are from forms that the Department of Workforce Services submits to the Governor's Office on an annual basis). The Department indicates that there are no new grants to the State of Utah in the tables below. Where applicable there is a discussion beneath each line item of: (1) federal grant reserves over 3 months and (2) spending plans and other potential uses for federal block grants. Three months or more of federal reserves was chosen because the Legislature ended FY 2015 with a nonlapsing balance of \$7.8 million on a total budget of \$26.0 million. This represents about 30% of the total budget or about three months. In general, federal block grants cannot be used to draw down additional federal funds. Any requests for funding that draw down federal funds are automatically excluded as potential uses for block grants.

Housing and Community Development FY 2017 – Federal Reserves Over Three Months

Federal Grant Name	Amount in FY 2017 Budget Request	Reserve Spending Authority	# of Months of Reserves	Explanation of Reserves Over Three Months
Weatherization Assistance Program	7,581,000	3,736,300	5	Total authority includes estimate of grant monies to be received and available in the current year as well as allowable carry-over from the prior year. Funding can be used over a 3-year period for weatherization assistance such as insulation, weather sealants, and other energy-related home repairs.
Community Development Block Grant	5,128,800	3,911,500	9	Funds are used for brick and mortar projects, so they generally take about 18 months to expend. Funds may be spent over 5 years.
Low Income Home Energy Assistance Program (LIHEAP)	23,673,200	11,252,700	5	Funds for LIHEAP benefits must be spent within the first year of the grant (10% can be carried forward to the subsequent year). Much of the grant authority is committed to weatherization activities, as allowed by the grant, and will be spent over a 3-year period.
Continuum of Care/Homeless Management Information System	627,500	372,700	7	Funds are competitive and are awarded throughout the year. They do not operate on the traditional federal fiscal year.
Community Services Block Grant	344,200	6,631,500	231	The FY 17 Budget Request amount is incorrect. It should have been \$3,440,200. DWS has requested supplemental federal funds authority for FY 2017 for this program.

Housing and Community Development FY 2018 – Federal Block Grants

The Department is not aware of any building blocks in the Governor's budget (<http://gomb.utah.gov/wp-content/uploads/sites/7/2016/12/FY-2018-Governors-Budget-Recommendations.pdf>) that could be funded with the block grants below:

1. Low Income Home Energy Assistance Program (LIHEAP) \$23,673,200
 - a. Energy Coordinating Council approves distribution of funds amongst applicants based on federal formula.
2. Community Development \$5,128,800

3. Community Services \$344,200
 - a. Community action programs statewide receive money based on a federal formula to do community-based activities to reduce poverty.

Operations and Policy FY 2018 – Federal Block Grants

The Operations and Policy line item has two block grants:

1. Temporary Assistance for Needy Families (TANF) at \$101,893,600 (<https://jobs.utah.gov/edo/stateplans/tanfstateplan.pdf>). The Department is not aware of any of its building blocks in the Governor's budget (<http://gomb.utah.gov/wp-content/uploads/sites/7/2016/12/FY-2018-Governors-Budget-Recommendations.pdf>) that could be funded with this block grant.
2. Child Care Development \$77,289,900 - The Department is not aware of any of its building blocks in the Governor's budget (<http://gomb.utah.gov/wp-content/uploads/sites/7/2016/12/FY-2018-Governors-Budget-Recommendations.pdf>) that could be funded with this block grant.
 - a. Federal requirements to spend a minimum percentage on subsidies and a minimum amount on other activities.

Operations and Policy FY 2017 – Federal Reserves Over Three Months

Federal Grant Name	Amount in FY 2017 Budget Request	Reserve Spending Authority	# of Months of Reserves	Explanation of Reserves Over Three Months
Trade Training	900,000	3,529,100	47	DWS does not anticipate expending all funds available as there are very limited Trade petitions and customers to serve. Funds are available for 3 years. Amounts remaining at the end of the period of performance are returned to the U.S. Treasury. Funds are only used for training and support for customers laid off from trade-affected companies, case management, and administration related to the trade-affected customers.
Work Opportunity Tax Credit (WOTC)	225,000	128,300	6	These funds are for payroll and overhead associated with processing WOTC applications. Vacancies for personnel working on this program occurred during SFY 2016, so carry-forward amounts are higher than anticipated. Funds are available for 3 years and are expended over an average of 2 years.
Child Care and Development Fund	62,329,800	54,882,500	10	Funds are available for 3 years. A certain amount of reserve spending authority is needed to provide sufficient flexibility in planning and executing contractual expenditures and to implement the recently reauthorized child care program. Grant authority includes available matching funds which require sufficient matching dollars to draw down the federal funds.
Refugee Social Services	981,200	1,026,700	12	Funds are available over 3 years. A certain amount of reserve spending authority is needed to provide sufficient flexibility in planning and executing contractual expenditures.
Refugee Targeted Assistance	511,000	620,000	14	Funds are available over 3 years. A certain amount of reserve spending authority is needed to provide sufficient flexibility in planning and executing contractual expenditures.
Temporary Assistance for Needy Families	79,259,000	66,416,600	10	Funds are available until spent (no period of performance requirements). Funds can only be spent to meet the four purposes of the TANF program. DWS estimates a reserve of approximately \$30.2 million at the end of FFY 2019 which represents a 4 to 5 month reserve.
